

YAXT - Feature # 306

Status:	New	Priority:	Normal
Author:	Joerg Behrens	Category:	
Created:	10/25/2012	Assignee:	
Updated:	10/25/2012	Due date:	
Subject:	garbage collector		
Description			
<p>Since we have an idxlist-internal cache that we might not need at some point, we might consider implementing a garbage collector to minimize the memory footprint of idxlists.</p>
